**Adams County News and Information**

**Vaccine Clinics Scheduled for Dogs and Cats**

The Adams County Animal Shelter will offer vaccine and microchip clinics through the winter months beginning in January. The clinics are scheduled for Wednesdays, 3 – 6 p.m. (Jan. 14, Feb. 11, and March 11). The shelter is located at 10705 Fulton St., Brighton.

With a full-time veterinarian now on staff, the Animal Shelter is pleased to offer these valuable services at an affordable cost of \$10 for vaccines and \$20 for microchips. Rabies, DA2PP and Bordatella are available for dogs; rabies and FVRCP are available for cats. This service will give citizens with limited resources an opportunity to get pets vaccinated and microchipped.

“We do expect a large turnout, so please arrive early and be prepared to hang out with Fluffy and Whiskers for a little while,” said Eva McMickle-DeTolve, executive director of the shelter.

While you’re at the shelter, check out the adoptable pets. All pets adopted from the shelter are up-to-date on all age appropriate vaccines and are microchipped and altered.

For more information, contact the Animal Shelter at 303.288.3294.
