

# Cardboard Balls

You will need:

- Toilet paper roll
- Scissors

To assemble a cardboard ball:

1. Cut a toilet paper roll into five slices
2. Stick slices together by weaving them in and out of each other
3. Try different weaving patterns until the slices no longer move. Once the pieces are tight, you're all done!

# Pipe Cleaner Spirals

You will need:

- Pipe cleaners
- Pencil
- Scissors

To assemble a pipe cleaner spiral:

1. Cut a pipe cleaner in half
2. Wrap the pipe cleaner tightly around a pencil
3. Remove the pipe cleaner and lightly pull apart at either end. Now you're all done!

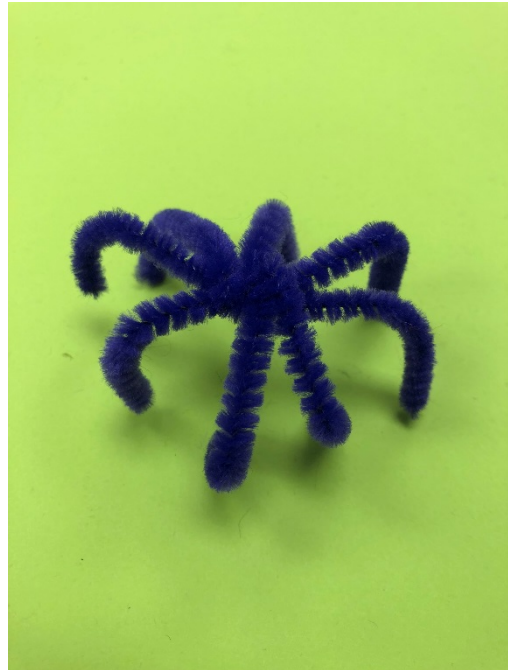

# Pipe Cleaner Spiders

You will need:

- Pipe cleaners
- Scissors

To assemble a pipe cleaner spider:

1. Cut a pipe cleaner into four equal segments
2. Separate the segments into groups of two
3. Fold each group of two over each other in the middle, twisting them tightly
4. Once the segments are secure, bend the legs to resemble a spider 😊

# Catnip Boxes

You will need:

- Toilet paper roll
- Catnip
- Scissors

To assemble a catnip box:

1. Cut toilet paper roll in half
2. Fold the bottom of the roll inside of itself to create a sealed bottom
3. Fill the roll with catnip and fold the top to seal it 😊

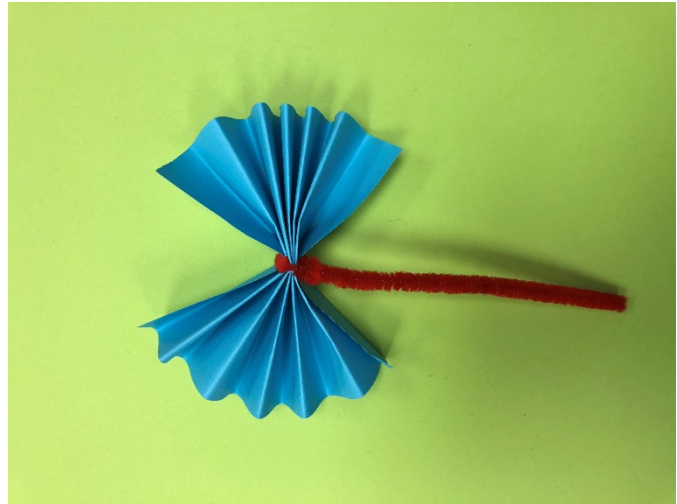

# Paper Fans

You will need:

- A standard piece of paper
- Pipe cleaner
- Scissors

To assemble a paper fan:

1. Hold your paper horizontally. Cut it into three equal pieces
2. Fold one strip of paper several times to make an accordion
3. Cut a small slit in the middle of your accordion, on each side
4. Fold the end of a pipe cleaner around the accordion, inside the slits
5. Fan out your accordion and you're ready to go!

## Sock Mice

You will need:

- Baby socks
- Stuffing
- Catnip
- Yarn

To assemble a sock mouse:

1. Fill a sock with stuffing and a sprinkle of catnip
2. Pinch the top of the sock and tie it off with a piece of yarn ☺
